REGRET – Cards : 500, Closed/Suspended

Convenor, Keith Mill would like to thank all those who helped make this activity such a success, for more than 30 years.

Thanks, in particular, goes to those who offered their homes as venues, and to those who provided or assisted with the magnificent suppers, and afternoon teas.

Sadly because of lack of numbers, changes of venues, and difficulty getting about, Keith has cancelled this activity.

- *The Editor would especially like to thank Keith for the way he welcomed the new members, including herself. He always managed the group well, keeping meticulous records of birthdates (to arrange cakes) and memberships. Keith made sure members were kept up-to-date with WRAG events, and contacted members who were not well, and in the earlier days offered pick-ups and his home was a venue of great enjoyment - thank you from all at WRAG.*
